We have set up a [Future NHS Collaboration workspace](#) to support the work of NHS England and Improvement Mental Health, Learning Disability and Autism Covid-19 Response Cell. We use this platform to share guidance and information, and encourage mental health, learning disability and autism leads and providers to share advice and feedback on how best to look after patients and staff during these difficult times. The resources on this workspace are open to those working in mental health, learning disability and autism services and will include the voluntary and independent sector.

If you currently have a FutureNHS account, you can access the workspace directly through the homepage (<https://future.nhs.uk/MHLDAcovid19/grouphome>). Those without a FutureNHS account can either self-register to the platform if they have an nhs.net or nhs.uk email account, or directly request access by emailing our generic mailbox if they are from other organisations at: MHLDAcovid19-manager@future.nhs.uk
